

Public Wood Debris Collection Fact Sheet

- Washington State Parks and Recreation Commission allows wood debris removal by the public with an approved permit for personal use only and may not exceed five cords of wood per WAC 352-32-290 annually per permit.
- Permits may not be issued for commercial use per WAC 352-32-290.
- Parks staff will post notification of wood debris collection for seven days.
- Persons interested in a permit **must notify the park** to enter their name into a lottery drawing. DO NOT CONTACT HEADQUARTERS.
- Parks staff will notify person(s) if they are selected for a wood debris collection permit.
